

Exciting Opportunity w/ CityU Data Science Club

Hello everyone,

We're thrilled to announce that the CityU Data Science Club is now recruiting officers for the next quarter! If you have a passion for data science, this is a golden opportunity to step up, make an impact, and gain valuable leadership experience.

As an officer, you will:

- **Organize and lead club activities:** From planning workshops to coordinating hackathons, your efforts will shape our club's agenda and ensure a rich, engaging experience for all members.
- **Collaborate with data science enthusiasts:** Work closely with peers who share your interests, learn from each other, and build lasting connections in the data science field.
- **Develop leadership skills:** Hone essential qualities like communication, teamwork, and problem-solving, all of which will be invaluable in your academic and professional journey.

CityUniversity
of Seattle

Interested? Learn more about the club's mission, our activities, and the officer role description on our [website](#).

To apply, simply fill out the officer application form available on our website. The deadline for applications is not a thing, however if you are interested, please fill out the quick 3 question survey by **6/25**. You can still submit after then, **but I'm semi encouraging you too before then!**

Have questions or need more information? Don't hesitate to reach out here or at [my email](#). We're here to help!

Let's embark on an exciting, data-driven journey together!

Best, Thaddeus Thomas <!-- Position to be named later --> CityU Data Science Club
